

Your F&I Lit Reading Menu

Have you ever ordered from a restaurant and been given the option of selecting the flavor, heat level, or portion size for your dishes? (Think of your favorite chicken or cauliflower wing spot.) What you select can change from day-to-day or you may get the same dish each time you order. Let's take the same approach for your lit reading selections. Using the menu below, select the book, which includes a **Lit Journey Collective Note Card**, that fits your reading needs and preferences. You are encouraged to select from anything on our **F&I Lit Reading Menu!***

Example Lit Order

Step 1 (Reading Temperature and Portion Size): I cannot wait to dig into a great bio about my favorite athlete! I need to be able realistically finish whichever book I select over the weekend while my little ones are visiting family.

Step 2 (Flavor): You've selected your temp by picking a biography which also provides you with the estimated portion size (*W* or 🔥).

Step 3 (Place your order.): Use the chart below to select the book, and Lit Reading Module(s)© and products that best fit your and your community (i.e. family, work, etc.) needs.
